Disclaimer

Highmark Health Options medical policy is intended to serve only as a general reference resource regarding coverage for the services described. This policy does not constitute medical advice and is not intended to govern or otherwise influence medical decisions.

POLICY STATEMENT

Highmark Health Options does not provide coverage under medical surgical benefits of the Company's Medicaid products for orthopedic applications of platelet-rich plasma.

Use of PRP is considered experimental/investigational, and therefore noncovered, for all orthopedic indications because the safety and/or effectiveness of these services cannot be established by the available published peer-reviewed literature.

Refer to noncovered services policy for more information.
