Important Information for Acquiring Prior Authorization

The [List of Procedures/DME Requiring Authorization](#) for Highmark is subject to change. During the year, Highmark makes several adjustments to its full list of outpatient procedures, services, durable medical equipment, and drugs requiring authorization.

For benefits to be paid, the member must be eligible on the date of service and the service must be a covered benefit.

Providers should use [NaviNet®](#) or the applicable HIPAA electronic transactions to check member benefits and eligibility, to verify if an authorization is required, and to obtain authorization for services before they are rendered.

Providers who don't have NaviNet or access to the HIPAA transactions should fax authorization requests to one of the following departments:

- Behavioral Health: **833-581-1866**
- Gastric Surgery: **833-619-5745**
- Durable Medical Equipment/Medical Injectable Drugs/Outpatient Procedures: **833-619-5745**
- Inpatient Clinical: **833-581-1868**
