Disclaimer

Highmark WholecaresM medical policy is intended to serve only as a general reference resource regarding coverage for the services described. This policy does not constitute medical advice and is not intended to govern or otherwise influence medical decisions.

Policy Statement

Highmark Wholecare[™] may provide coverage under the medical-surgical benefits of the Company's Medicare products for medically necessary upper gastrointestinal endoscopy.

This policy is designed to address medical necessity guidelines that are appropriate for the majority of individuals with a particular disease, illness or condition. Each person's unique clinical circumstances warrant individual consideration, based upon review of applicable medical records.

Procedures

- 1. Please review the specific National Coverage Determination (NCD), Local Coverage Determination (LCD), and/or Local Coverage Article (LCA) information, as well as other CMS sources, using the links below.
- 2. Post-payment Audit Statement
 The medical record must include documentation that reflects the medical necessity criteria and is subject to audit by Highmark Wholecare[™] at any time pursuant to the terms of your provider agreement.

3. Place of Service

The proper place of service for an Upper Gastrointestinal Endoscopy is outpatient (e.g., physician office, hospital inpatient or outpatient, or an ambulatory surgery center). The Upper Gastrointestinal Endoscopy is only eligible for coverage in an inpatient setting in special circumstances including, but not limited to, the presence of a co-morbid condition that requires monitoring in a more controlled environment.

Coverage Determination and Links

Highmark WholecaresM follows the coverage determinations made by CMS as outlined in either the NCD, or the state-specific LCD/LCA.
