Additional Information

- Any decision to deny a prior authorization is made by a licensed pharmacist based on individual member needs, characteristics of the local delivery system, and established clinical criteria.
- NaviNet is the most efficient means to request authorization. A new NaviNet form with autofill functionality will be added to the Authorization Request Forms to make completing and submitting your online requests easier and faster.
- The prior authorization look up tool (accessed via NaviNet) will be updated to show prior authorization requirements for these medications.
- Oncology and supportive therapy requests are reviewed by OncoHealth (OH). These requests should be submitted via Navinet (https://navinet.navimedix.com) and/or OH directly (www.oncohealth.us) and click on Provider Login from the menu at the top of the page). If you require assistance submitting requests, please contact OH's provider relations at 1-888-916-2616 Ext. 806.
- For a smooth transition to the prior authorization process, you may begin to submit authorization requests beginning February 14, 2022 for dates of service on February 21, 2022 and beyond.
- Authorization does not guarantee payment of claims. Medications listed above will be reimbursed by Highmark Wholecare only if it is medically necessary, a covered service, and provided to an eligible member.
- Non-covered benefits will not be paid unless special circumstances exists. Always review member benefits to determine covered and non-covered services.
