Coverage Criteria Established for Donislecel-jujn (Lantidra)

Highmark Delaware has established new criteria for S-144 Islet Cell Transplantation. This policy is updated with coverage criteria for Donislecel-jujn (Lantidra), an allogeneic pancreatic islet cellular therapy for the treatment of adults with type 1 diabetes-related severe hypoglycemia who cannot attain target blood glucose levels despite intervention.

This revised Medical Policy will apply to professional providers and facility claims. The effective date is October 30, 2023.

Place of Service: Inpatient/Outpatient

Please refer to Medical Policy S-144, Islet Cell Transplantation, for additional information.
