## BCBSA Provider Settlement

Blue Cross Blue Shield Association (BCBSA) and Blue Cross and Blue Shield companies are pleased with the Court's Order approving the settlement we reached to resolve the claims in this case. As the settlement approval process continues to progress, Blue Cross Blue Shield Association remains committed to finalizing the agreement and implementing its terms. We reject claims plaintiffs made in the lawsuit. However, to end our time in court, we will make operational changes and provide payments to members of the class involved in the case. Throughout the settlement approval process, we have remained focused on the goal we have had for more than 90 years: improving access to high-quality, affordable, and equitable health care for everyone.
