HIGHMARK'S PENNSYLVANIA CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP) CREATES UNIFORM FEE SCHEDULE

Effective **September 1, 2022**, Highmark is creating a uniform fee schedule related to the Children's Health Insurance Program (CHIP). The updates made to the CHIP fee schedule is a continued effort to align with prevailing market rates for state subsidized programs.

Since Highmark helped set up the original CHIP program in 1992, we have sought to ensure Pennsylvania's children were able to get the care they needed. By continuing to evaluate our program, including its fee schedule, Highmark strives to keep health care affordable and accessible for some of our most vulnerable members.

The CHIP fee schedule will be available within [NaviNet®](#) beginning **July 1, 2022**. Follow this path: [NaviNet](#) > **Workflows for This Plan > Resource Center > Claims, Payment & Reimbursement > Fee Schedule Information.**
