Correction: West Virginia Medicare Advantage Medical Policy L-199

West Virginia Medicare Advantage Medical Policy L-199: Molecular Syndromic Panels for Infectious Disease Pathogen Identification Testing (L-199) was published on **September 21, 2022**. When published, procedure codes 0202U and 0225U were inadvertently omitted.

This has been updated and West Virginia Medicare Advantage Medical Policy L-199 was republished with procedure codes 0202U and 0225U added back into the policy.

You can review the policy on the Provider Resource Center:

- Hover over **Medical Policy Search** in the **Task Bar**
- Select **Medicare Advantage Medical Policies**
- Type **L-199** into the **Search Bar**

This information is issued on behalf of Highmark Blue Shield and its affiliated Blue companies, which are independent licensees of the Blue Cross Blue Shield Association. Highmark Inc. d/b/a Highmark Blue Shield and certain of its affiliated Blue companies serve Blue Shield members in 21 counties in central Pennsylvania and 13 counties in northeastern New York. As a partner in joint operating agreements, Highmark Blue Shield also provides services in conjunction with a separate health plan in southeastern Pennsylvania. Highmark Inc. or certain of its affiliated Blue companies also serve Blue Cross Blue Shield members in 29 counties in western Pennsylvania, 13 counties in northeastern Pennsylvania, the state of West Virginia plus Washington County, Ohio, the state of Delaware, and 8 counties in western New York. All references to Highmark in this document are references to Highmark Inc. d/b/a Highmark Blue Shield and/or to one or more of its affiliated Blue companies.
