Annual Update to Highmark's Professional Fee Schedule & Pricing Methodology

Effective October 1, 2023, Highmark will make its annual update to our standard professional fee and pricing methodology¹, which applies to the following Highmark service areas — Delaware, Pennsylvania, and West Virginia — for commercial lines of business.

This change does **not** affect Highmark's Medicare, Medicaid, or any value-based fee schedule adjustments.

The annual update is part of Highmark's continued effort to align with industry standard values and remains non-negotiable for contracted providers.

What Is Changing

The commercial standard professional fee schedule and pricing methodology enables Highmark to:

- Update our fee allowances based on industry research by leveraging different sources and data points, including changes the Centers for Medicare and Medicaid Services (CMS) made to the 2023 Medicare Physician Fee Schedule.
- Continue to bring our fee schedules in closer alignment with Highmark's Value-Based Reimbursement strategies through uniform standard fees.
