Authorizations Section Added to Provider Resource Center

Highmark has updated the homepage of its Provider Resource Center (PRC) to include an Authorizations section, creating a centralized location for resources regarding authorizations.

The Authorizations section can be found in the blue left-hand menu of the PRC. There you will find a link to Authorization Forms and Procedures/Service Requiring Prior Authorization. You can also access the Procedures/Service Requiring Authorization page by clicking on Requiring Authorization in the Quicklinks Bar at the top of the PRC homepage.

The Procedures/Service Requiring Authorizations page includes information on the following:

- Member Eligibility and Benefits
- Prior Authorization Code Lists
- Obtaining Authorizations
- Support Information

You can still access Procedures/Service Requiring Prior Authorization under the Claims, Payment, and Reimbursement section and Authorization Forms under the Forms section.
