Medical Policy U-5 Assisted Reproductive Technology Has Been Updated for DE, PA, and WV

Medical Policy (MP) U-5 Assisted Reproductive Technology now includes new criteria requiring all transferrable viable embryos from a previous cycle and any previously frozen oocytes, both fertilized and transferred, to be utilized prior to beginning a fresh cycle. The criteria noted in the Medical Policy update only applies to Delaware, Pennsylvania, and West Virginia. The policy does not affect New York and will not be on the next policy version publishing August 28, 2023.

To view the updated Medical Policy, go to the Provider Resource Center. On the top task bar, click the drop-down arrow for **MEDICAL POLICY SEARCH**, select **MEDICAL POLICIES**, and then type “U-5” into the search bar.

This information is issued on behalf of Highmark Blue Shield and its affiliated Blue companies, which are independent licensees of the Blue Cross Blue Shield Association. Highmark Inc. d/b/a Highmark Blue Shield and certain of its affiliated Blue companies serve Blue Shield members in 21 counties in central Pennsylvania and 13 counties in northeastern New York. As a partner in joint operating agreements, Highmark Blue Shield also provides services in conjunction with a separate health plan in southeastern Pennsylvania. Highmark Inc. or certain of its affiliated Blue companies also serve Blue Cross Blue Shield members in 29 counties in western Pennsylvania, 13 counties in northeastern Pennsylvania, the state of West Virginia plus Washington County, Ohio, the state of Delaware, and 8 counties in western New York. All references to Highmark in this document are references to Highmark Inc. d/b/a Highmark Blue Shield and/or to one or more of its affiliated Blue companies.
