Correction: Medicare Advantage Medical Policy Z-105

Medicare Advantage Medical Policy Z-105: Implantable Continuous Glucose Monitors had previously published with Local Coverage Article A58110 instead of A58415. This has been corrected and a header called **Covered Diagnosis Codes for Procedure Codes G0308, G0309, 0446T, and 0448T** has been added. To review the policy on the Provider Resource Center:

- Hover over **MEDICAL POLICY SEARCH** in the Quick Access Bar at the top of the website
- Select **MEDICARE CARE ADVANTAGE MEDICAL POLICIES**
- Type **Z-105** into the **Search Bar**

IMPORTANT REMINDER: The Medicare Advantage Medical Policy Search will no longer be available on **February 13, 2023**. For more information on this change, click [here](#).

This information is issued on behalf of Highmark Blue Shield and its affiliated Blue companies, which are independent licensees of the Blue Cross Blue Shield Association. Highmark Inc. d/b/a Highmark Blue Shield and certain of its affiliated Blue companies serve Blue Shield members in 21 counties in central Pennsylvania. As a partner in joint operating agreements, Highmark Blue Shield also provides services in conjunction with a separate health plan in southeastern Pennsylvania. Highmark Inc. or certain of its affiliated Blue companies also serve Blue Cross Blue Shield members in 29 counties in western Pennsylvania, 13 counties in northeastern Pennsylvania, and the state of Delaware. All references to Highmark in this document are references to Highmark Inc. d/b/a Highmark Blue Shield and/or to one or more of its affiliated Blue companies.
