## Quick Claims Just Got Quicker: Expanded Payer Options for Senior Health and Senior Solutions

**Effective March 17, 2025**, professional providers in Pennsylvania and West Virginia are now able to submit to Highmark Senior Health and Highmark Senior Solutions through Quick Claims in the [Availity®](#) portal.

With this enhancement, providers can submit claims for **both** commercial and Medicare Advantage (MA) members using a single submission. This means practitioners can upload a batch file for multiple patients — even when some are commercial members and others are MA members — all in the same submission.

### Background

Quick Claims is a streamlined process designed for high-volume claim submissions, perfect for professionals like therapists who frequently submit claims for multiple patients. This tool allows practitioners to submit claims for **up to 50 patients** simultaneously, saving considerable time and eliminating paperwork.

For more on electronic claim submission, visit [this page](#) on the Provider Resource Center.
